SUMMER 2023

SUMMER VIBES ON
The River Walk!

Don't Miss Out on
Great Events

Budweiser

— THE SAN ANTONIO —
RIVER WALK

When summer fun heats up, adding a dash of cool to your day makes exploring San Antonio even more magical. Even on the hottest day, roaming the river automatically lowers your temperature. The shade trees and fantastic foliage along the River Walk make everything seem cooler at River Level. Add in the right stops for a tasty treat—or an experience you will never forget—and there is no doubt that you will think, “Cool!” while you are enjoying everything from splash pads to waffles with giraffes as you take in all that San Antonio has to offer.

SLUSHY GOODNESS

Summer is also a fantastic excuse to cool off with a frosty one. Whether that is a frozen margarita from any one of the amazing restaurants along the River Walk, or a drink-to-go from somewhere like The Frosty Dog, the options are endless. The frosty ones at **The Frosty Dog** include cherry limeades, mango limeades and more for the junior set, as well as frozen and flavorful adult fun including margaritas, hurricanes, daquiris, mojitos and pina colodas. Another great frozen option is **Fat Tuesday**, delivering New Orleans-inspired frozen daquiris right along the river. And do not miss the **Thirsty Aztec**. With 24-ounce to-go cups and frozen offerings named after the river, our beloved park police and more, no matter where you are from, you will feel like a local after your first sip. If you are in the mood to relax on a riverside patio, visit **Dorrego's** and **Naranja at Hotel Valencia Riverwalk** for their summer Poptail special that runs through September. Here you can cool off with a handmade popsicle submerged in a frozen cocktail!
